

2024 CLUB COMPETITIONS

Motorised Transport

The use of motorised transport is not permitted for Championship events without the express permission of the Match Committee.

A current Medical Certificate is required for this exemption.

The Course Superintendent may prohibit the use of Motorised Transport in adverse conditions.

Eligibility

Participation in club 'Trophy' events is restricted to full financial membership.

If the member is paying their subscription in instalments, all payments must be up to date.

Failure to meet these requirements may preclude participation.

GOLF CLUB RULE CHANGES

New Zealand Golf have updated their rules for handicapping for Matchplay cards and thus we are changing our rules to align with theirs and other clubs.

You **MUST** hand in all club Matchplay Cards

This includes Bridge, Butler, Power (Men), Kiwi (Mixed) and Smith (Ladies) Cups

Except

- Gross Matchplay cards (Club Championships)

- If you have not played 13 holes in your match and you decide to walk in and not go past the 12th hole.

With this change above we will:

Allow you to enter the hagggle while you play your match. If you enter the hagggle you are expected to still putt out and complete every hole regardless of gimmies, holes conceded etc. If you do not want to putt out while playing a match, please don't enter the hagggle.

Club Championship matches are exempt, and you will not be allowed to enter. We do not want your scorecard from club champs (matchplay), just your result. You could choose to enter the 2's and NTP for \$2 before your round but must inform us after your round if you scored a 2 on a hole.

For Handicapping (Matchplay on handicap):

If your opponent concedes the hole:

- They will put their maximum for their handicap (0 stableford score).
- If you play the hole out: You will get the score you have got. – This is the only option if you enter the hagggle.
- If you pick up: You will get the score you are likely to get (2 stableford points)
